Dear Lori:

On behalf of the Northland Regional Chamber of Commerce, I want to thank you and Bill Richardson for taking the time out of your busy schedules to speak with the Youth Leadership Class on March 10. You provided valuable information that will, hopefully instill your message to the group.

Youth Leadership is a program offered by the Northland Regional Chamber of Commerce. The purpose of the program is to help students understand the Northland and their ties to it, giving insight into the business, legal, educational, political and health care elements of our community. It will provide students with valuable leadership skills they will use as they work toward graduation, and beyond.

Again, thank you for your time.

Sincerely,

Karla Martinez  
Vice President
